III. DEFINITIONS

Parties: User and Publisher together

User: the natural person, legal entity, organization without legal entity that views, uses or in any other way uses the content of the website operated by the Publisher

Website: a device that allows communication between absentees.

Publisher: The Content provider

Content: All textual, graphic, still or moving image information on the Website, regardless of whether it is downloadable or available solely on the Website. This includes, in particular, maps, images, photographs, pictograms, tables, graphs, textual content, descriptions, documents, computer applications and procedures.

IV. **RELEVANT LEGISLATION**

- Act V/2013 promulgating the Civil Code
- Act LXXVI of 1999 on Copyright
- Act CXXX/2016 Code of Civil Procedure

V. **SCOPE AND ACCEPTANCE OF THE TOU**

The content of the legal relationship between the User and the Publisher is determined by this TOU and any other information published on the website, in addition to the provisions of the relevant binding legal regulations.

The TOU contains the rights and obligations of the Parties, the conditions of use of the content and the liability rules.

The User must read the provisions of this TOU before using the website.

By starting to use the website, the User accepts the provisions of this TOU.

VI. **CONTACT**

The User may submit his/her remarks, suggestions and possible objections related to the activities of the Publisher at the following contacts:

Phone number: +36 1 391 9320 (on workdays, from Monday to Friday from 8 to 16)

Postal address: 1121 Budapest, Konkoly Thege Miklós u. 15-17.

E-mail: titkarsag@csfk.org

The User may communicate his/her remarks, suggestions and possible objections related to the activities of the Publisher orally or in writing.

VII. COPYRIGHTS

The content on this website is protected by copyright under the terms of the Civil Code and the Copyright Act.

Free usability:

Publisher makes the entire content on the website - free of charge - free to use in the following cases

- for personal use by private individuals
- for educational purposes
- for scientific and research purposes
- for media information purposes

In the case of scientific dissemination, the content can be used if the source is indicated.

If the purpose of the use is to inform the media, the content may be used freely, provided that the User is entitled to take over the content, modify, supplement and add an explanation to its content without changing its essential elements and the facts contained therein. The user undertakes to publish the content without distortion, in a way that excludes ambiguity and malicious conclusions. If the Publisher makes modifications, corrections or clarifications in the already received, published, processed material, the User is obliged to modify, correct and change it immediately. The user is obliged to act in the event of a complaint or claim from a third party for failure to specify the repair or to withdraw the material that has already been published.

Prohibited usability:

Except in cases of free usability, it is prohibited to place any content elements of the website on the market, to sell them processed, to use them for material, moral or other non-measurable profit.

Publisher does not allow the use of the content for promotional or advertising purposes.

Usability bound by authorisation:

Except in cases of free and prohibited use, subject to the prior written permission of the Publisher, in the possession of that, one has the opportunity to receive and use any content element of the website, in particular to reproduce it, store it in a database, publish it and retransmit it.

Written permission can be requested as follows:

The person who acts on behalf of the Publisher, as the right holder: Kiss L. László Director General (e-mail address: titkarsag@csfk.org)

Subject to written permission, use is subject to a source designation, the required elements of which are as follows:

- the web address of the page: (URL)
- Source indication: National Atlas of Hungary - electronic edition
- right holder: CSFK – FTI

Legal consequences of unauthorized use:

Publisher draws attention to the fact that unauthorized use is subject to severe penalties under the law.

Penalties will be imposed for unauthorized use or copying. The amount of the penalty is HUF 100,000 per copied page / entry and per calendar day - in case of partial copying - a proportional part of this - which will be invoiced to the unauthorized user. By receiving, the user expressly agrees to the imposition of a penalty.

For certification, a notarial content certification is prepared at the expense of the infringer.

Notarial content certification is a public document.

VIII. PARTIAL INVALIDITY

If any clause of the TOU is legally incomplete or invalid, the remaining clauses of the TOU will remain in force and the provisions of the applicable law will apply instead of the invalid or defective portion.

IX. OPERATION OF DIGITAL DATA CONTENT, TECHNICAL PROTECTION MEASURES

The entire data content is backed up regularly so that in case of a problem, the original data content can be restored.

Any personal data is stored with adequate encryption.

X. X. VALIDITY

This TOU shall enter into force on and shall remain in force until revoked. Publisher reserves the right to amend certain provisions of the TOU. Publisher will provide information to Users about any changes.
